

Research Associate (RA) Position under a SERB Funded Project at Aliah University

Deadline of application: 17 January 2023 until 5 P.M.

Date of Online interview: 19 January 2023 at 02.00 P.M.

A position for a **Research Associate (RA)** is available in the research group of **Dr. Md. Hedayetullah Mir, Assistant Professor, Department of Chemistry, Aliah University**. The project is aimed to develop photoresponsive metal-organic framework (MOFs) crystals that can hop, split and jump under UV light. Incorporating them into polymer host objects will let us control movement from molecules to millimetres, and their changing structures will allow us to control gas uptake and release, all opening up a new world of light-switched smart materials.

Title of project: Hopping MOFs: Development of Photoactive Metal-Organic Frameworks (MOFs) for the Fabrication of Next Generation Smart Materials

Funding agency: SERB, Govt. of India.

Principle Investigator: Dr. Md. Hedayetullah Mir, Assistant Professor, Department of Chemistry, Aliah University

Remuneration: Rs. 38,000/- per month (Consolidated).

Tenure: Initially for a period of 1 year, extendable up to completion of the project depending on the satisfactory performance of the incumbent.

Eligibility Criteria: PhD in Chemistry/Material Science or equivalent degree with minimum 60% marks in M.Sc degree or equivalent degree.

Desirable Criteria: Preference will be given to the candidates with a prior research experience in synthesis of MOFs/crystal engineering/Photoactuating smart materials.

Age limit: Age limit and relaxation in age for SC/ST/OBC etc. as per Govt. of India rules.

How to Apply: A detailed CV along with the scanned copies of the qualification documents and other relevant documents must be emailed to chmmir@gmail.com latest by 17th January 2023 until 5 P.M.

Interview: Shortlisted candidates are requested to appear in the online interview through Google Meet on 19th January, 2023 at 02:00 P.M. to be organised by Dr. Md Hedayetullah Mir, Assistant Professor, Department of Chemistry, Aliah University. The meeting link will be sent to shortlisted candidates for this interview in due course.

Terms and Conditions:

- i) The decision of the selection committee will be final.
- ii) If the number of candidates appearing for the interview is large, the selection committee may restrict the number of candidates for the interview to a reasonable limit after considering qualifications and experience over and above the minimum prescribed in the advertisement.
- iii) The selected candidate will have to join duty immediately upon receiving the offer.
- iv) The fellowship may be terminated with a 30 day notice before completing the tenure if performance to date is not deemed satisfactory.
