Provision relating to counselling for recommendation of name to the posts of non-Teaching Staff

- The process of counselling is based on the principle that the higher ranked candidate in a particular category shall get a greater number of vacancies of that category to choose from as compared to a lower ranked candidate of that category.
- 2. A Combined Merit List (CML hereafter) for each Region will have to be published for each post before the commencement of counselling. The purpose of publishing the said CML is only to conduct the counselling in a fair manner. The CML shows the rank of each candidate in accordance with his total score (in descending order), irrespective of his category. The principle is to prioritise the choices of the candidates based on their merit every time, subject to availability of suitable matching vacancies.
- 3. Once a candidate chooses a particular vacancy or refuses to choose a vacancy on his turn during counselling, he relinquishes his right to take part in the subsequent counselling process.

- 4. During counselling the candidates shall have to submit a declaration of:
 - Selection and acceptance of the School during counselling is as per his/her choice available at the time of his/her turn during counselling; or
 - (ii) Refusal to exercise his/her option in respect of selection and acceptance of any School available at the time of his/her turn during the counselling.
- The counselling ends when (i) all the notified vacancies are chosen by candidates called for counselling, or
 (ii) on the expiry of the panel, or (iii) all the merit listed candidates have been called for counselling, whichever is earlier.

Provided, however, that if a recommended candidate is not allowed to join his chosen school for reasons beyond his control, such as absence of any vacancy in reality, he shall be re-recommended to another school, as received from the Board.

Provided also that if a recommended candidate does not join his chosen school out of his own reasons, the vacancy may be allotted to the existing top-ranked candidate who is yet to be recommended at the material point of time. The said recommendation should be done by a proper counselling process after duly notifying the same in the website, and the said counselling must be conducted within the lifetime of the panel.

(a) The empanelled candidates for the post of non Teaching Staff qualified for counselling will be informed of their rank category-wise mentioning all relevant information in respect of counselling through website notification. Website publication shall be the only mandatory obligation on the part of the Commission.
